

**C**elebrating 30 years in business, **The Schuyler Yacht Basin RV Park** is one of the premier marinas in the northeastern United States and proudly located on the New York State Canal System. Located on the Hudson River / Champlain Canal and mid-point between Troy and Whitehall.

As an important stretch of the Erie Canalway, the Champlain Canal not only brings you to Schuyler Yacht Basin but can take you anywhere in the world. As a matter of fact we have had visitors from all over the world spend time with us.

It is only a two-block walk into the Village of Schuylerville where you find motels, restaurants, unique shops and of course, a full grocery store. Fifteen minutes by car or taxi takes you to the city of Saratoga Springs, world renowned for its horse racing, performing arts, mineral baths, shopping, dining and night life.

Our guests, whether they are boaters, or RVers have come from almost every state in the USA, from all parts of Canada and North America, Europe, the Caribbean, and South America. The highest praise visitors have given us is simple – they tell us that they feel like they're coming home when they stay with us.

We invite you to visit us, whether you stay for your whole vacation, a few days, just overnight or for a quick

fuel and pump-out stop on your way through the Canal. Best of all we now have repair services on hand.
