The Tournament Committee is very happy to announce plans to move forward with an event for 2022!

Cortlandt Yacht Club has been very generous to host the event **April 28, 29, 30 & May 1**. Croton Bait & Tackle & Lee's Sporting Goods have again signed on to be the tournament entry locations. Tournament representatives from Cortlandt Yacht Club, Admirals Cove Boat Club, & New Hamburg Yacht Club will also be involved. The Committee is making very exciting adjustments to the overall event & the prize packages to adapt to the current regulations regarding trophy striped bass on the Hudson.

Please stay tuned to Boating on The Hudson & the Tournament Facebook page for upcoming announcements.
