Nowhere is that exemplified more than at Westerly Marina, in Ossining, NY.!

For 61 years the DeMarchis Family, has operated under the premise that the family that works, and stays together, will survive together!

March 15th will be the one year anniversary of the passing of the

founder, Arthur DeMarchis, known to one and all as "Artie" his abilities, skills and tenacity have been passed down to the remaining 6 members of the family that now operate Westerly Marine! They are: Joe, Joe Jr., Dennis, Nick, Doug and Virpi.

The photo above, not only shows all the remaining members of the family, but the huge display of arguably the largest ships store in the Hudson Valley.
